SUBJECT: ADDITIONAL IRANIAN DESIGNATIONS UNDER E.O. 13382:
CANADA

REF: STATE 2945

¶1. (SBU) On January 12, Economic Minister-Counselor and newly arrived Deputy Terrorist Financing Coordination Officer discussed reftel non-paper with Yves Beaulieu, Deputy Director for Counter-Terrorism, International Crime and Terrorism Division, Department of Foreign Affairs and International Trade (DFAIT). Beaulieu appreciated receiving word of the U.S. domestic designation of additional Iranian entities and individuals for supporting WMD proliferation and promised to circulate the non-paper to relevant Canadian agencies immediately.

¶2. (SBU) Beaulieu said that DFAIT and the Department of Justice are in the processing of creating a new internal mechanism to allow the GoC to move quickly on designations under UNSCR 1737. The existing mechanism is designed to act expeditiously on designations under UNSCR 1267 and 1373, but it needs modification in order to allow Ottawa to move equally quickly on proliferators under UNSCR 1737. These changes will take a couple of weeks to arrange. The DFAIT official stressed that existing law makes it mandatory for Canada to comply fully with UNSCRs, and therefore making these administrative changes is a top priority within the bureaucracy.

¶3. (SBU) Beaulieu was especially interested in the non-paper's statement that the "the U.S. plans to propose the addition of all Iranian entities and individuals designated pursuant under E.O. 13382 to the Annex (of UNSCR 1737)" and asked when this would be done. He noted that once the new entities and individuals are added to the Annex, Canada would be able to act in like fashion to the U.S.

¶4. (SBU) The Embassy political section has shared the non-paper with officials in DFAIT's non-proliferation office.
